# The '49er Mirage

We know that there will be a Forty-Niner Book on the East Coast, one on the West Coast, one in the South and one in the North, but we still think it is a good idea and, therefore, the Forty-Niner Mirage is based on the Gold Rush.

When the Senior Class graduated, Lancaster High School lost a "good gang." They worked hard and accomplished much. And so now, Class of '49, the very best of luck.

# INITIATIONS—
## LATIN CLUB
## LOS CABALLEROS
## T. AND I.

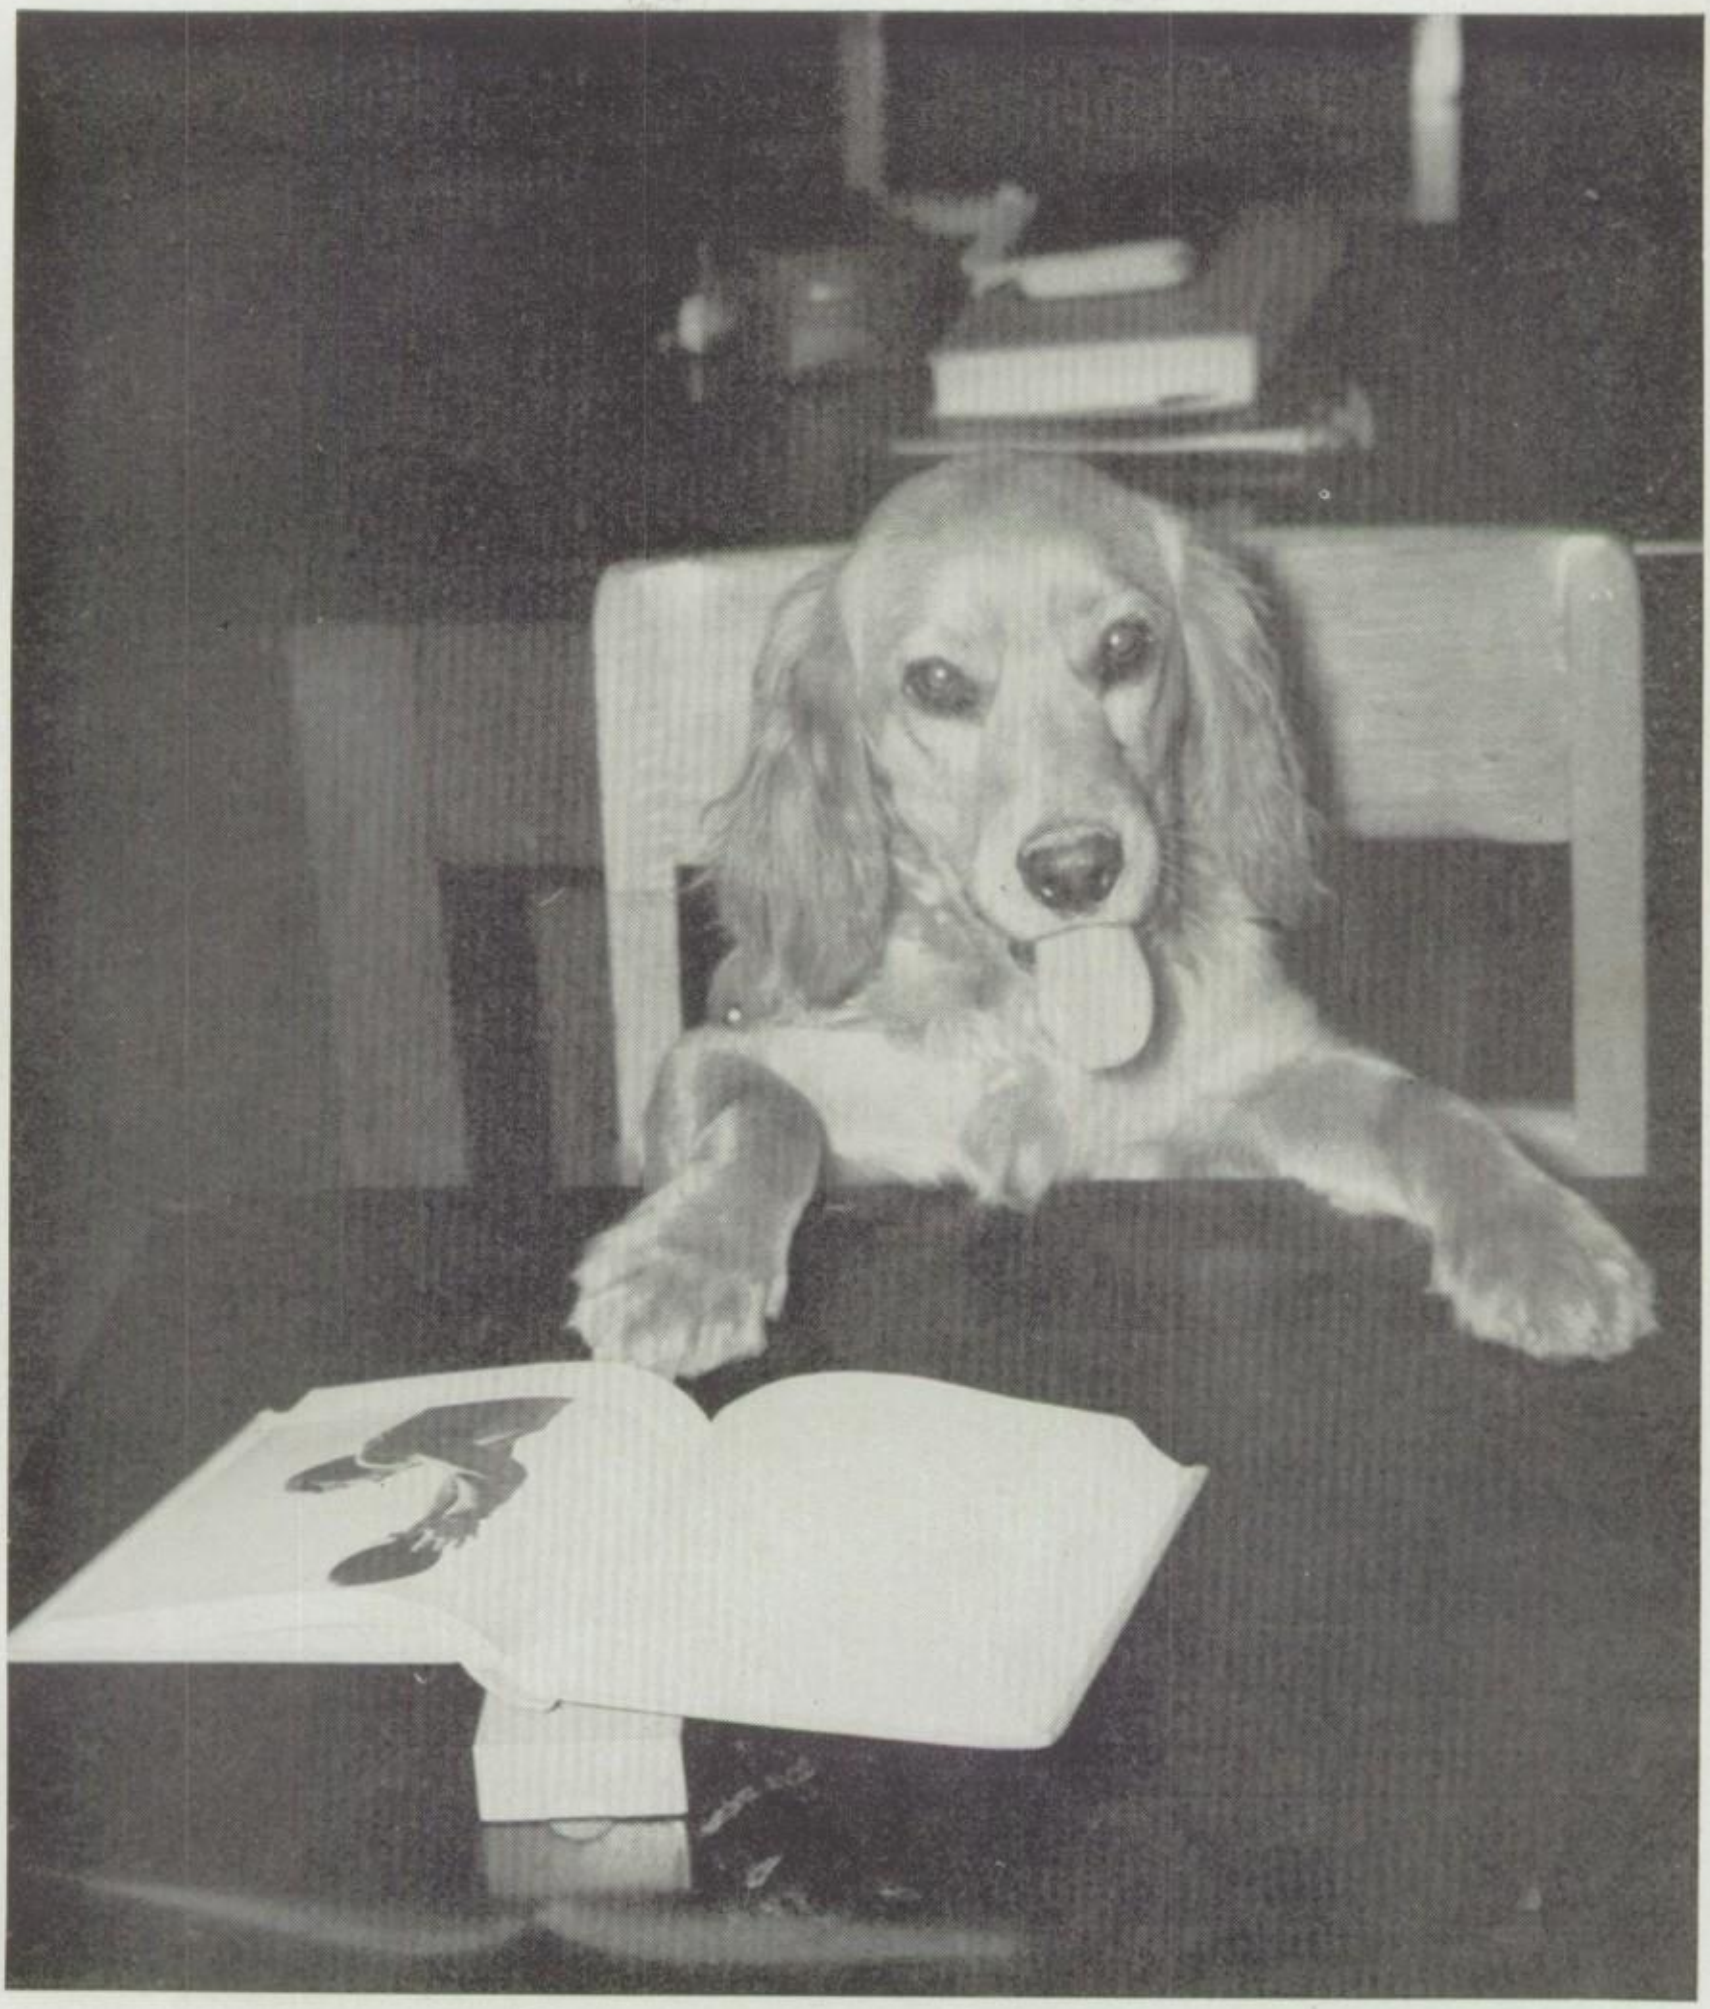
Seniors at work and at play!!! They do both wholeheartedly — Well — **most** of the time, anyway.

Want a ride? Choose your type of transportation — We have it. "Timmy" doesn't go with the car, however — except maybe in very **extra-special** cases.

It takes a lot of work to prepare for our good times — The cooks labor in the kitchen; the musicians have to practice; the janitor puts on coal to keep us comfortable; and Mr. Tobias takes our pictures.

Work before play! Faculty and students caught in "off-guard" moments—including our principal.

The 1949 Football Banquet was an outstanding event on the school calendar. Sponsored by the local Booster Club, this affair was bigger and better than ever. Mr. Brown, our principal, did a splendid job as toastmaster, and the speaker, Otto Graham of Cleveland Brown fame, praised not only the team that can win graciously but also the good loser.



Mr. Miller's star student. P. J. claimed it paid more attention than any other student. However, P. J. also learned something. He can now "bark" almost as well as the dog.

Row One—Mary Bangham, Betty Clark, Jim Andrews, Margaret Imlay, David Crook

Row Two—Natalie Burdette, Mary Alice Drinkle, Mary Elizabeth Randolph, Pearleene Keller, Marjorie Russell

Row Three—Jerry Floyd, Jack Reed, Jim Edgington, George Hauenstein, Bill Thomas, Charles Wagner

Joyce Lewis and Frances Rooker were absent when the picture was taken.

# SENIOR PLAY

"One Foot in Heaven" was portrayed by a fine Senior cast. The play was based on the trials and tribulations of a minister's family in their fight against bigotry and prejudice. After struggles in many complicated and sometimes amusing situations, a new church and parsonage were finally built **under** the leadership of the minister, and **over** the objections of some pillars of the church.

# THOUGHTS OF A SENIOR

With many a shudder and sorrowful sigh
We watch the short summer months hasten by,
We look to the days when we trudge off to school,
When our manner is mournful and the days are cool.

But we also look to dances and football
And laughter and joshing and talk in the hall.
Looking forward to these we find school not so sad,
And our faces grow happy, for we really are glad!

The first year skims by on wings of sound
And soon we find the second's come 'round.
We're not so loathe to leave summer's fun.
In fact, we're eager to see everyone.

Of our sophomore year to tell there's not much,
More games, more dances, and Latin, and such.
In play we're absorbed; for study—less time,
While long-suffering teachers try to keep us in line.

Soon we're jaunty Juniors, big and wise,
Quite worthy of envy in the freshmen's eyes.
We now know school's not such a grind,
Because we've found many people who want to be kind.

Our days have been happy and our job well done,
So we look to the last year, the prize we have won.
Our projects, successful, win fame and praise;
The Juniors retire in a burst and a blaze.

We're Seniors! The Present o'ershadows the Past.
We've much to do and we must do it fast!
We flutter about in a flurry of excitement,
And between it all, there's learning for our enlightenment.

Then it's arrived, Graduation Day.
We're a little sad, but we try to be gay.
We must say farewell to the friends we have made,
The school chums and teachers that came to our aid.

Now we look unafraid to the Future ahead.
We feel we have gained by the books we have read,
But we've learned far more than books have to say,
We've learned most from living—the very best way.

# STUDENT COUNCIL

This group of representatives of the student body takes an active part in high school life. Each year they sponsor two dances — strictly "for free." This year they were responsible for putting out a handbook describing the various clubs and activities of L. H. S. and explaining school policies and rules for poor, bewildered freshmen (and maybe for upperclassmen, too). Members are elected by classmates from each report room, and they may well feel honored to be a part of the Student Council.

Those students rating highest in scholarship, character, service, and leadership are the ones fortunate enough to claim membership in this organization. Tapping ceremonies (at which hopefuls nervously sit on the edges of their seats, biting their nails) are held near the end of the junior year and then twice during the senior year. Spurred on by the contests which Mr. Smart and Honor Society members "cook up," large amounts of sales tax stamps have been collected for the student loan fund.

# 1949 MIRAGE STAFF

We're the ones who've worked so hard to bring this book to you. The jobs we do vary from those of typing, writing copy and collecting money to help our somewhat wobbly finances, to pestering Miss Baker, our patient adviser. We've spent many hours, both in and out of school working on and worrying about the Mirage; but now, if it meets with your approval, we shall be content.

THE MIRAGE STAFF AT WORK ? ? ? ? ?

NOTE THE LOOK OF DETERMINATION!

### Stage Crew

Row One—Figgins, Mr. Irick, Turner

Row Two — Ety, Westhoven, Reid, Yoder

### First Aid

Row One — Pursell, Rudolph, Householder

Row Two — Russell, Whiteley, Brandt, Keller

## STAGE CREW

This brawny group does much more work than the student body realizes. They can be found backstage "skittering" up and down ladders and swinging on ropes, giving out with Tarzan yells almost any time of the day — and overtime, too — operating curtains, lights and scenery for plays, concerts and other activities.

## FIRST AID

These girls are the ones to see if a band-aid or just a sympathetic word is needed. Each girl spends a period a day helping the school nurse cope with the multitude of ailments that students think up—er rather, are afflicted with.

## Office Staff

Row One — Yeazel, Meeker, Hazlett, Keller, Beatty

Row Two—Householder, Seimer, Hartman, Lowry, Geiger, Dykes

Row Three—Rudolph, Chevalier, Brown, Brandt, Butcher

## M.P.S.O.

Row One — Hickman, Irskens, Wagner, White, Hiles

Row Two — Friesner, Hunter, Mr. Shower, Hedges, Peck

Row Three — Rauch, DeLong, Brenstuhl, Johnson, Lynn, Arledge

Row Four—P. Thomas, Strawn, Gardner, Smith, B. Thomas

# OFFICE STAFF

When Miss Hudson wants someone to come to her office she sends a member of the office staff to "fetch him." These girls also take care of the daily absence. This includes listing, recording, issuing of absence slips (yes, pink ones, too), and calling parents — just to check up.

# M.P.S.O.

The boys in this organization are a big help in our visual education program. They labor industriously assembling projection equipment, operating the motion picture projector, and flicking light switches on and off.

## Usherettes

Row One—Smith, Kelley, Randolph, Clark, Hershfield, Sweeney

Row Two — Hermann, Beck, Mrs. Carr, Lewis, Kneller

Row Three—Hunter, Hartman, Hazlett, Wells, Wilson

## Library Staff

Row One — Hines, Zaayer, Wrightsel, Rodman, J. Clark, Shatz, Randolph

Row Two—Black, Miller, Poling, Wedge, B. Jenkins, M. Jenkins, Knight

Row Three—Mowery, Capron, George, McGee, White, Lisk, Smith

# USHERETTES

These girls, looking very chic in their black skirts with white blouses and black ties, are on hand at all school programs to escort our visitors to their seats. (Indeed, they might otherwise go fumbling around all night.) They also assist at the Exchange Club plays and the Community Concerts.

# LIBRARY STAFF

The work of library staff members consists not only of checking books and magazines in and out, but also of carrying library slips to study hall teachers, dusting off those long, long rows of books, and patiently erasing mustaches from the upper lips of those gorgeous girls in the magazines.

## T. & I.

Row One — Blosser — Sec., Smith, Carpenter, Faigley— Pres., Gordon, Shriner

Row Two — Derbyshire, Muck, Stepleton, Milbaugh, Anderson, Leach, Lansing

Row Three — Mr. Kelley, Talbott, Bookman, Taylor, Graf, Grimm, Mr. Hughes

Row Four—Fairchild, Gerken, Westenbarger, Claar — Treas., Zervis, Hommel

Row Five — Halderman, Van Horn, Bartlett, Holt, Terry, Dittmar, Bauman

Row Six — Sauerbrei, Moody, Deitz, Poling, Wright, Sprang, Siler—Vice-Pres.

## Cafeteria Staff

Row One — Hartman, Young, Crago, Shumaker, Shaw, White, Behrens

Row Two—Britch, Kost, Perry, Boggs, Reed, Blair, Shumaker

Row Three — Robson, Jewell, Hammack, Wittman, Beatty, Enman

# T. & I.

All the boys taking trades and industries belong to this club. Every Thursday evening the machine shop is open so that they may come and do whatever work they wish to do. Mr. Kelley is usually around to see that they stay within reason.

# CAFETERIA STAFF

The cafeteria staff can be found each noon "dishing it out" with efficiency and dispatch. Since proper nutrition results in better students, this group deserves a vote of thanks for helping students acquire bigger and better brain cells.

Row One—Purcell, Van Horn, C. Kistler, Rodman, Clark, Wilson, Jeffries, Hershfield

Row Two—Walters, Hermann, Briner—Secretary, Kitsmiller, L. Boggs, Boice, Bolar, Raines

Row Three—Haber, Chappuis, Lowry, Rhind—Treasurer, Hammond, Heath, Hartman, Kelley, Jones, Johnson, Brown

Row Four—Pickering, Shatz, Kern, Hizey, Sweeney, Turner, Hightower, Wrightsel, Stevens, Blake

Row Five—Ball, Timberlake, Boggs, Drinkle, Ochs, Hudson, Ridenour, Switzer—Vice-President, McIntosh, Lawrence

Row Six—DeLong, Strohl, F. Boggs, Huddle, J. Kistler, D. Kelley, Heath, Swett, R. Kelley—President, Johnson, Wilkinson, Briggs

# LOS CABALLEROS

If you should chance to hear a cheery "!Saludos, amigo!" there is no fugitive from south of the border at large in our halls —it's merely one Spanish Club member greeting another. Membership in Los Caballeros is restricted to those students who have maintained a "B" average or better in first-year Spanish. Those star students are **first** inducted into the Club at an impressive candlelight service, but after this formal initiation, new members are "treated" to a decidedly informal one—complete with raw liver . . . And "caballeros" means "gentlemen!"

Row One—Nichols, Goodman, Kumler, Woodgeard, T. Smith, Thomas, Amendt

Row Two—Russell—Treasurer, S. Smith, Reed, Rooker, Brown, Wilson, Whiteley—Secretary, Beck, Stover

Row Three—Clark, Kneller, Miller, Brown, Thompson, Geiser, Snoke, Miss Griffith

Row Four—Griffith, Hunter, Burdette, Drinkle, Dickson, Hays, King, Hazlett—Vice President.

Row Five—Valentine, Reid, Akin, Wells, P. Smith, Hartman, Fauble, Blosser

Row Six—Ream, Fishbaugh, Vlerebome, Tipton, Ruff, Shaw—President, Keene

# LATIN CLUB

The Latin Club is the oldest club in the school. In fact, it has been rumored that the Club boasts of good old Cicero as a past member. Students must have at least a "B" average in freshman Latin to be eligible for membership. New members are traditionally initiated at Rising Park, where all enjoy ??? the wild assortment of raw oysters, spaghetti, and limburger cheese which they are forced to swallow.

## A Cappella Choir

Row One—Hawkins, Bradley, J. Reed, J. Brown, Darling, G. Smith, Kimble

Row Two—McFarland, Seimer, Blair, Mowery, Gardner, Brown, Burdette, McGinnis

Row Three—Beatty, Dickson, Wagner, Hettinger, Beougher, Whiteley, W. Lecalleet

Row Four—Yeazel, Keller, Rife, Andrews, Wolford, Marquis, Thompson, Rauch

Row Five—B. Bosch, Walter, Arledge, Mr. Beal, J. Reid, Mowery, C. Bosch

## Girls' Chorus

Row One—Lescalleet, Smith, Beatty, Seimer, Bradley, Ridenour, Hawkins

Row Two—McFarland, McGinnis, Marquis, Bushee, Thompson, Kimble

Row Three—Dickson, Yeazel, B. Bosch, C. Bosch, Hockman

Row Four—Rauch, Arter, Mr. Beal, Lisk, Bailey

## Freshman Mixed Chorus

Row One—Wedge, Krebs, McNaughton, Hutsler, Yates, Snider

Under the very able direction of Mr. Beal, the number of choral groups has been increased during the past year. These groups have furnished appropriate music for many occasions, and they deserve a great deal of appreciation for the long hours of practice required for the production of such fine musical programs.

# METHALIAN CLUB

This is an organization especially planned for the "stage-struck" students of L. H. S. Membership is open to any student who has helped in the production of a play — that is, anything from actually appearing on stage, to helping with properties, prompting, or make-up — or who has nerve enough to give a declamation before the Club or other group.

# ONE-ACT PLAYS

Scenes from JERRY BREAKS A DATE, BALCONY SCENE, AND HAPPY JOURNEY. It's loads of fun to put on plays but also a lot of work. Isn't Charles Shower bold? Or is it Don Kelly?

# G. A. C.

The aims of the Girls' Athletic Club are to promote interest in health, sportsmanship, and recreation. This year the main project of the Club was the purchase of a "snazzy" new electric score board for the gymnasium.

The requirement for membership is 350 points, earned by participating in intramurals. If a girl isn't too exhausted after that, she may earn a numeral requiring 750 points, a letter for 1500 points, and if she is really stouthearted, a bracelet for 2500 points.

# GYM LEADERS

It would be an almost superhuman feat for one person to handle gym classes as large as those of Miss Gesling and Mr. McCashen without assistants. To solve this problem, a few of the better athletes are assigned to each gym class to help out. Their job is to set a good example for those students just "learning the ropes" and to help in issuing towels, refereeing, and various other tasks.

## Y-TEEN

These girls work for the enjoyment of others as well as for themselves. In addition to the work they do for the underprivileged, they are also responsible for an assembly program each year. This is a play, in which girls play the parts of boys — complete with pinned-up hair and deepened voices.

## F. H. A.

The F. H. A. is usually buzzing with activity. This year at Christmas they gave baskets of food to the needy and in co-operation with the Future Teachers, sent handkerchiefs and cards to students in Kentucky. Each year they sponsor a Valentine dance with a queen 'n' all the "trimmins'."

# BAND

An organization of which Lancaster is very proud, this year's one-hundred-piece marching band has contributed much to football games and community affairs. Orchids to Mr. "Mac", whose courage and patience have made this group popular in all Central Ohio. Three out-of-town trips — Logan, Zanesville, and Circleville — were a lot of fun and good experience for the members. Drum major Harold Kelch also deserves applause for his fancy stepping and capable handling of the band.

The twenty-four-piece orchestra is directed by Mr. McIntyre. They vie with the noise of audiences before many school programs. Though a little short on strings, the orchestra has done a fine job.

## BIG SISTERS

These junior and senior girls endeavor to un-befuddle their befuddled little sisters — the freshman girls — in their school affairs. Any problems which freshmen may have are taken to their big sisters who are always ready to lend a helping hand — or a sympathetic shoulder on which to cry, such as the case may be.

## BIG BROTHERS

This club operates on the same basis as the Big Sisters Club. They serve as a source to which boys may take problems — anything from "What'll I do? A Sophomore just swiped my best girl!" to "Please, please, help me with my algebra!"

Row One—Drinkle, Hartman, Johnson—Vice-President, Nauman, Ruff

Row Two—Butcher, Hunter, Miss Hudson, Brown, McLaughlin, Mattox

Row Three—Rauch, Randolph—Treasurer, Whiteley, Dickson, Hays—President, Smith

Row Four—Wells, Bookwalter, Kelley, Spencer, Hermann—Secretary

# FUTURE TEACHERS

This is an organization for future "schoolmarms" and professors. Eligibility for membership is based on scholastic rating and the choice of teaching for a vocation. This year Senior members actually taught in the elementary buildings to gain experience in coping with young minds.

Some dig for knowledge but it seems that Johnny digs for money! What, Miss Barnes cutting out paper dolls? And Marian Smith is even "egging her on"! (Wonder where Mr. Brown is?)

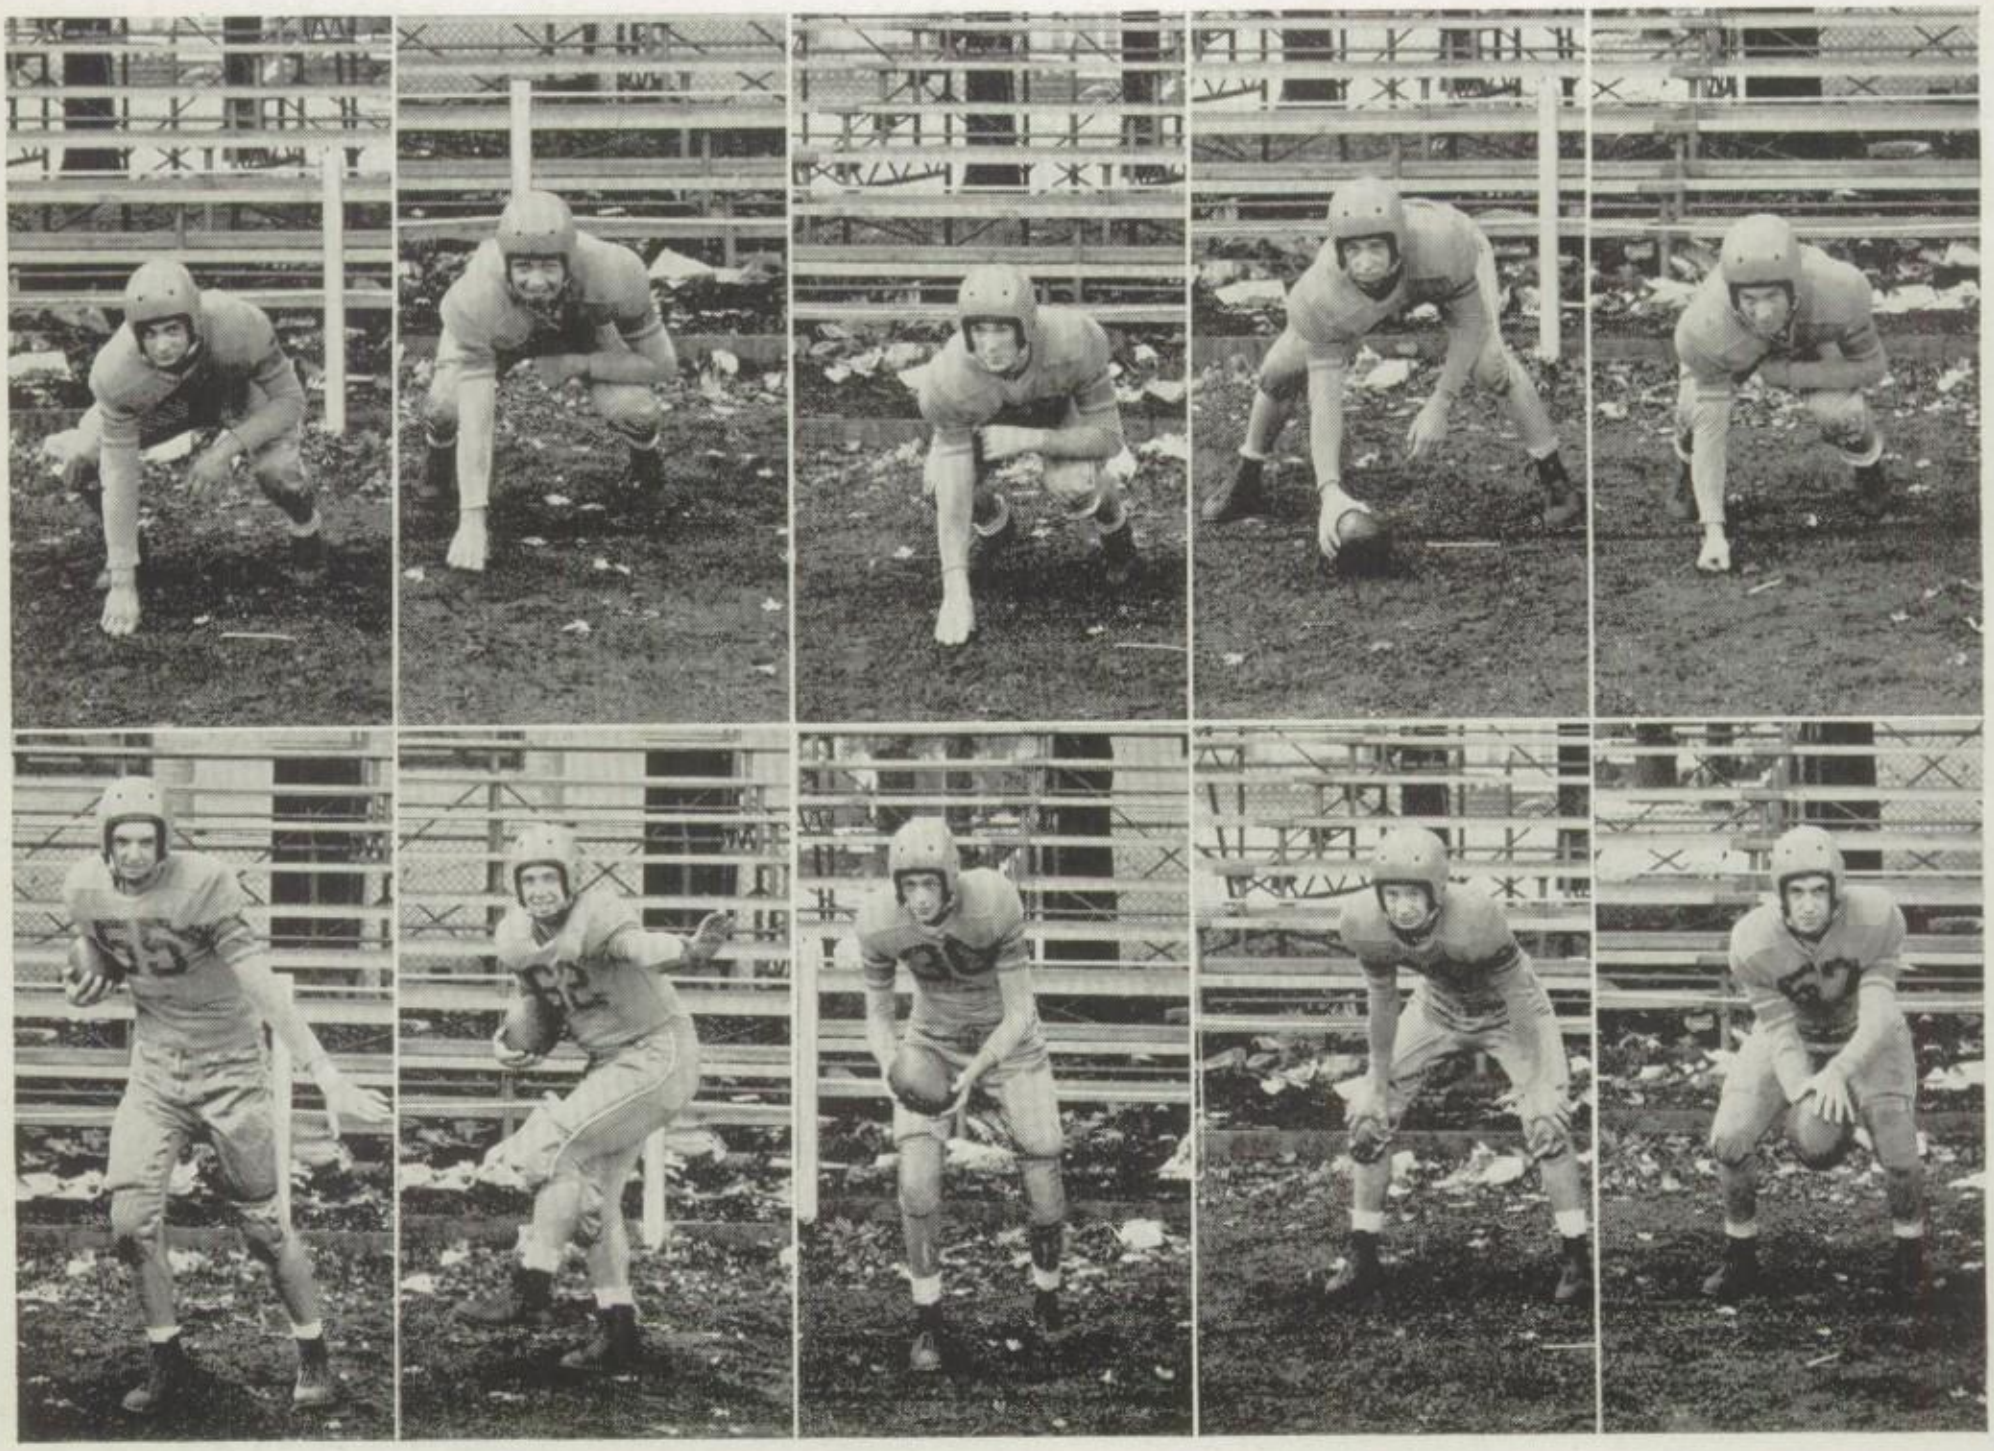
# COACHING STAFF

The L. H. S. coaching staff had its hands full this past year. Thanks to good coaching, the athletes have brought home the bacon on just about every outing. Of course, this shows that a well-coached team does well in action. After all, with a football team that loses only one game, a basketball team that bows only twice during its regular season, and a track team that turns out a boy who holds a national high school record, it looks like Lancaster has put a big mark in the record books around Ohio this year. What say we give a big pat on the back to the whole coaching staff?

IT'S ALL IN KNOWIN' HOW . . . THIS IS THE WAY WE BEAT COSHOCTON AND MARIETTA.



**PAUL ETY**

An all-C.O.L. lineman, Paul was a stellar guard and he'll be back next year as the team's captain.

**ED MILLER**

Ed was one of those big tackles that stopped many touchdowns for the other team. He graduates this year.

**BOB CARPENTER**

Up from Bremen this season, Bob saw a lot of action in the halfback slot.

**NORMAN WHITE**

Norm played his center position for sixty minutes in almost every game. He was also a star on defense. Gale opponents will have to face him again next year.

**JERRY MORRIS**

This boy played hard and long in his guard spot. It's too bad he won't be around next year.

**KENNY LESCALLEET**

Kenny was one of those boys built for his position. With his six feet plus, he handled his job very well.

**RAY THIMMES**

Another sixty-minute performer, "Timmy" really filled his fullback spot and also stopped 'em cold on defense. He'll be in there luggin' leather for another season.

**TOM PLINKE**

Tom did a lot of quarterbacking. It was Tom who did most of the punting and the kicking of the all-important extra points. He is graduating this year.

**DICK HERDMAN**

Dick handled his halfback spot like a veteran. He was a hard runner and hard to stop.

**JOE MUCK**

Also a quarterback, Joe was a good ball handler and did a lot of passing. This was Joe's last year.

# FOOTBALL

# FOOTBALL

**BILL ARLEDGE**

This tall, blond chap held up his end of the line. He played with determination, and will be missed next year.

**FRED POLING**

If short on stature Freddy is long on ability. His twisting and turning brought him a C. O. L. berth and honorable mention on the All-Ohio team. Freddy will be back for better things next year.

**JIM EDGINGTON**

Jim fought and played hard. He was a big help to team spirit and will be missed next season.

**JIM REID**

Jim's size and ability filled any holes there might have been in the line. He had the honor of being elected captain for the '48 season. It will take a couple of good boys to fill Jim's shoes next year.

**LOUIS WITTMAN**

When Louie played he played hard and his experience will be valuable next season.

**JACK PURCELL**

Jack was as busy as could be keeping all the team satisfied and believe me that's a job. He'll be around to answer calls next year.

**BOB ARLEDGE**
**JACK REED**

Bob and Jack also worked hard to make things run smoothly. Bobbie's a Sophomore but Jack graduates this year.

**JUNIOR SHERBURN**

Junior didn't see much action but played his hardest when he got into the backfield.

**BILL GRAF**

Hampered some by injuries, Bill worked his guard spot with ability and will prove his worth next season.

**BOB KACHEL**

Another boy who gave everything in practice and in the game. Bob didn't see much action but it's his kind of spirit that wins.

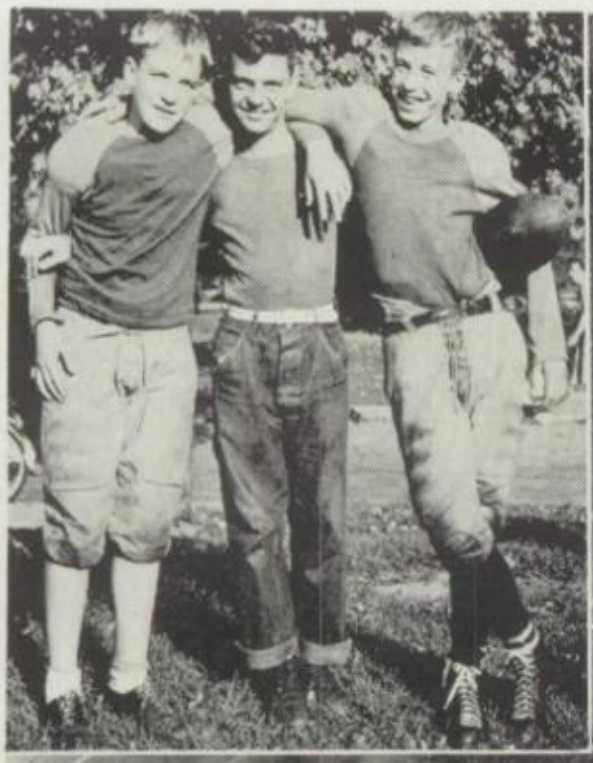
# FOOTBALL TEAM

The curtain came down this year on the Golden Gales' best season in a good many years. At the final gun of the season, they had accumulated a total of 9 wins and 1 loss. They opened at Logan with a 27 to 6 win over the Chieftains. At home they defeated Linden McKinley 35 to 0. The Gales went on the road and downed Coshocton 19 to 0. At



EVERYBODY WANTS IN THE ACT!!! EVEN G.G.

# FOOTBALL

North Field they defeated Cambridge 26 to 6. Traveling to Zanesville, they defeated the Blue Devils 42 to 20 in a fast scoring game. Homecoming — our one and only black mark — Newark took us 17 to 0. Lancaster came back to defeat Ironton 7 to 6 on their own field. Then at Marietta, the Gales lorded it over the Tigers 33 to 0. Once more at North Field we took the controls, to down Dover 19 to 13, and in the last game of the season the Tornadoes flashed by Delaware 33 to 19.

Even with the loss of quite a few boys, there are high hopes of a good team next year.

# VARSITY BASKETBALL TEAM

The "hot shots of the hardwoods"—that's a good description of this year's basketball team. The Gales flashed up and down the boards 20 times in their regular season and no one expected them to come out with one of the best records in the state. Their two losses were by the margin of one point and were on the home courts of Coshocton and Dover. It was a team — the fellows worked together like clock work. Another high point of the season was the fact that the Gales defeated the Wildcats from Newark TWICE in one season.

# TRACK TEAM

There was something new at L. H. S. last season—a track team. Lancaster has had teams in the past, but this was the first one in about ten years. The fellows, directed by "Doc" Coleman, didn't win all of their meets or run up big scores, but they gained that all-important experience. They worked hard and looked good in action.

The outstanding surprise of the team was Gene (Flash) Cole, who although new to the game like the rest of the boys, proved himself to be the hero of the season. Gene lost only one race during his brief high school career. He ran against some very talented and capable speedsters. In fact, he proved himself to be one of the best in the country. At Ohio State Stadium last spring, Gene set a new national high school record in the 440-yard dash.

The team bowed out with hopes of an ever better future.

# BASEBALL

And now we come to the baseball team. Now, let me see. Ah, yes—they must be recommended for honors, too. In looking over the records, we see that most of their big scores are in the **win** column. Hey! What's this? They played a game in the Red Bird Stadium? And Johnny Heft hit a ball clear to the left field wall for a home run? In the Red Bird Stadium, that "ain't" easy.

Well, those are some of the highlights of a successful season, and you can bet that they will be back trying for a better record come ball-playing time again.

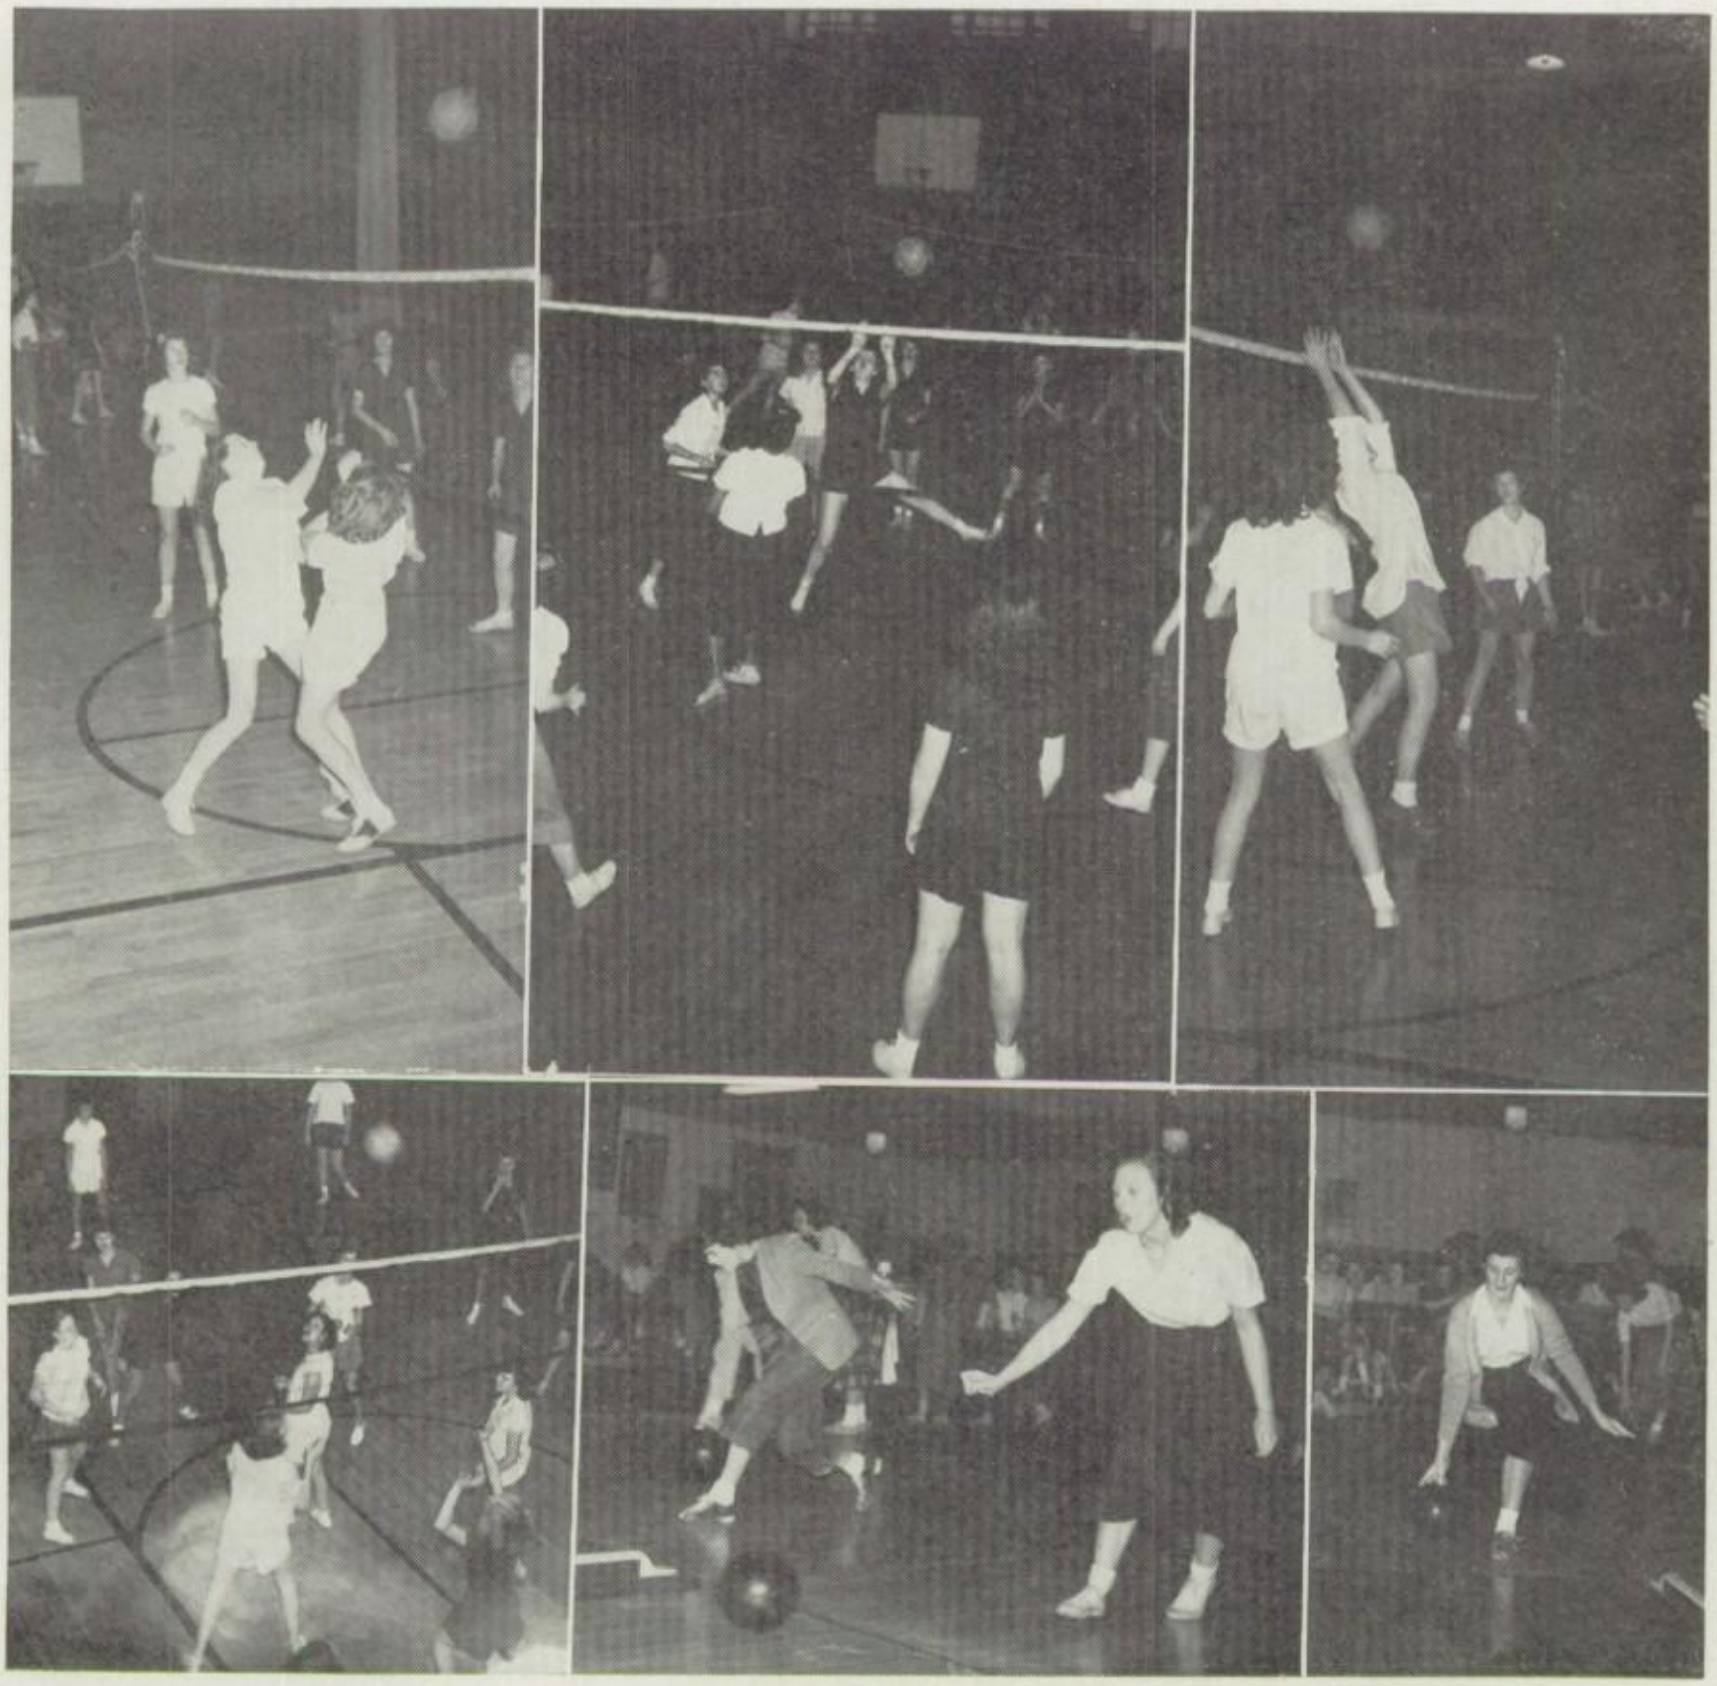
# GIRLS' INTRA-

This year the Girls' Intramural program started with great success. Tennis was first on the agenda. Volleyball tournaments began shortly after tennis, with about 250 girls participating. Sue King's team claimed the honor of being "champs." Bowling followed volleyball with approximately 150 girls giving the pinboys a "workout." Basketball, badminton,



# MURALS

ping-pong, and softball completed the year, but too late to meet the Mirage deadline. The champion volleyball team consisted of the following girls: Susan King—Captain, Connie Hermann, Mary Alice Drinkle, June Stover, Peg Porter, Jane Fouse, Nancy Wells, Barbara Beck, Cynnie Briner, Joyce Herdman.
